Alok

**Em**  
Govern me  
**G**  
Storm onto the light  
**Am** **Em**  
I feel like life s design is a battlefield of mine  
**Em** **G**  
Marching on what do we worship for  
**Am**  
I see the blood marks on my door  
**Em**  
I run, we run, you cannot hide

**G** **Am**  
We are diamonds of nature  
**C**  
We are more than strangers  
**G**  
Fighting with eyes closed

**D**  
We are lighting up the night  
**Am**  
Ain t no star that shines so bright  
**C**  
And we re all aligned  
**G D**  
Love is a temple  
**Am**  
Love is a temple

Love is a temple  
**G**  
Love is a temple  
Love is a temple
