

Colder Months
Alpha Rev

Standard Tuning - I m basically doing the piano chords. This is my first time trying to tab out a song for myself. Hah.

[Verse]

(all will look the same way, although I would arpeggiate verse 1)

G **C**
I put on my usual
G **C**
Pack a picture from my cubicle
Em **C**
All I can think about is you
G **C**
I m still bleedin
G **C**
I m still bleedin

[Verse 2]

G **C**
Took the L to Union Square
G **C**
Watched the pretty girls comb their hair
Em **C**
They turn away as I turn and stare
G **C**
I m still bleedin
G **C**
I m still bleedin

[Chorus]

Am **C**
 These thoughts of pain
 G
Don t make a sound
 D
They keep us hidden
 Em
In the lost and found
 C **G**
These colder months, wincing social graces
 D **Em** **C** **G** **C**
We keep with us, these fallen faces

[Verse 3]

G **C**
Took a call from an old, old friend

G **C**
Out of money, in jail again

G **C**
I posted bail and took him in

G **C**
I m still bleedin

G **C**
We re both bleedin

[Chorus 2]

Am **C**
These thoughts of pain

G
Don t make a sound

D
They keep us hidden

Em
In the lost and found

C **G**
These colder months, wincing social graces

D **Em** **C**
We keep with us, these fallen faces

We keep with us, these fallen faces

[Bridge]

Am **F**
These thoughts of pain

C
They ll make a sound

G
To keep us hidden

Am
In the lost and found

F **C**
In these colder months, wincing social graces

G **Am F C G**
We keep with us, these fallen faces
