Title: Mary Anne  
Artist: Alphabot!  
Album: Rabbit Troop

[Verse]

**E** **F#m**  
My memory is like a beach with your toe prints in the sand  
**F#m** **E**  
And if I zoom out far enough they spell out Mary Anne  
**E** **F#m**  
Now Mary Anne your phantom living is holding me in place  
**F#m** **E**  
And I m fighting hard against that ghost of your embrace

[Chorus]

**E** **F#m**  
Cause all day all night it s Mary Anne  
**F#m** **E**  
Down by the seashore she s shifting sand  
**E** **F#m**  
Yeah all day all night it s Mary Anne  
**F#m** **E**  
Down by the seashore she s shifting sand

[Verse]

**E** **F#m**  
Do you remember how I d sing, and how that used to make you dance?  
**F#m** **E**  
And we d share our sweats while struggling out of tighter pants  
**E** **F#m**  
Now I m finding pieces of you in my nails and in my hair  
**F#m** **E**  
Your scent s the worst, it tricks my nose into thinking you re still there

[Chorus]

**E** **F#m**  
Cause all day all night it s Mary Anne  
**F#m** **E**  
Down by the seashore she s shifting sand  
**E** **F#m**  
Yeah all day all night it s Mary Anne  
**F#m** **E**  
Down by the seashore she s shifting sand
