

Romeos  
Alphaville

[Verse 1]

**F**

There s a boy

With a little black dog

There s a boy

**Eb**

With a little black dog

**F**

And he looks

**Eb**

At his watch

**F Eb**

For a while

**F**

And the falling years

Wash away his make up

And the falling years

**Eb**

Wash away his make up

**F**

Just like rain

**Eb Bb Cm**

On the fading snow ...oh

[Chorus]

**G**

**D**

**A**

He s a lonesome streetside romeo

**E**

**G**

You can see him from your windows tonight

**D**

**A**

This world s a divided place, you know

**E**

**B**

He s awaiting you

**G**

**D**

**A**

He s a lonesome streetside romeo

**E**

**G**

You can see him from your windows tonight

**D**

**A**

This world s a divided place, you know

**E**

**B**

He s awaiting you

[Verse 2]

**F**

All the boys

Are locked in a fortress

All the girls

**Eb**

Are locked in a fortress

**F**

Just because

**Eb**

It s a crime

**F**

It could be

**Eb**

It could be

**F**

Flesh and blood

In iron and steel

Flesh and blood

**Eb**

In iron and steel

**F**

Just because

**Eb**

It s a crime

**Bb**

It could be

**Cm**

It could beeeee

[Chorus] x2

**G**

**D**

**A**

He s a lonesome streetside romeo

**E**

**G**

You can see him from your windows tonight

**D**

**A**

This world s a divided place, you know

**E**

**B**

He s awaiting you

**G**

**D**

**A**

He s a lonesome streetside romeo

**E**

**G**

You can see him from your windows tonight

**D**

**A**

This world s a divided place, you know

**E**

**B**

He s awaiting you
