

**All Hope Is Gone**  
**Alter Bridge**

Great song from ABIII.

Capo 1

All Hope is Gone

**Am** **D**  
A tireless stream of indifference flows  
**C** **G** **Am**  
through veins till the river runs dry  
**Am** **D**  
I no longer care, i have all but disposed  
**C** **G** **Am**  
of dreams that i once held inside

**Am** **D**  
Desire is gone after all of these years  
**C** **G** **Am**  
the fight has been lost, i concede  
**Am** **D**  
the apathy born a long time ago  
**C** **G** **Am**  
has grown to what i cant defeat

**F** **C**  
I ve been here too long  
**Am** **G**  
I m tired, longing for more  
**F** **C**  
How long must i run  
**Am** **G**  
To find what I m looking for  
**F** **G** **A**  
All hope is gone

**Am** **D**  
The sadness i carry so deep in my heart  
**C** **G** **Am**  
of what could have been and might be  
**Am** **D**  
is never forgotten, its never to far  
**C** **G** **Am**

I m wasted so worn and so weak

**F** **C**  
I ve been here too long  
**Am** **G**  
I m tired, longing for more  
**F** **C**  
How long must i run  
**Am** **G**  
To find what I m looking for  
**F** **G** **A**  
All hope is gone

Ive been here too long  
I m tired, longing for more  
How long must i run  
To find what I m looking for

I ve been here too long  
I m tired, longing for more  
All hope is gone  
All hope is gone  
All hope is gone
