

All Hope Is Gone
Alter Bridge

Great song from ABIII.

Capo 1

All Hope is Gone

Am **D**
A tireless stream of indifference flows
C **G** **Am**
through veins till the river runs dry
Am **D**
I no longer care, i have all but disposed
C **G** **Am**
of dreams that i once held inside

Am **D**
Desire is gone after all of these years
C **G** **Am**
the fight has been lost, i concede
Am **D**
the apathy born a long time ago
C **G** **Am**
has grown to what i cant defeat

F **C**
I ve been here too long
Am **G**
I m tired, longing for more
F **C**
How long must i run
Am **G**
To find what I m looking for
F **G** **A**
All hope is gone

Am **D**
The sadness i carry so deep in my heart
C **G** **Am**
of what could have been and might be
Am **D**
is never forgotten, its never to far
C **G** **Am**

I m wasted so worn and so weak

F **C**
I ve been here too long

Am **G**
I m tired, longing for more

F **C**
How long must i run

Am **G**
To find what I m looking for

F **G** **A**
All hope is gone

Ive been here too long
I m tired, longing for more
How long must i run
To find what I m looking for

I ve been here too long
I m tired, longing for more
All hope is gone
All hope is gone
All hope is gone
