

Break Me Down
Alter Bridge

INTR: A E C# B

C# **A** **E**
It s too late the time has come
 B **F#** **E** **C#**
I ve kept this inside me way too long
 A **E**
Silence will leave me cold
B **F#** **E** **C#**
Lost on a highway that never takes me home

A **E** **C#** **B**
I want to step a side I want to give it up before I lose it all
A **E** **C#** **B**
It s tearing me inside the way you break me down
A **E** **C#** **B**
There will come a time when I will come undone and you let me fall
A **E** **C#** **B**
I leave it all behind before you break me down

C# **A** **E**
The weight of a thousand lies
 B **F#** **E** **C#**
A promise is broken on me all the time
C# **A** **E**
You say that you re sure to change
 B **F#** **E** **C#**
But that black heart reveals that you always stay the same

A **E** **C#** **B**
I want to step a side I want to give it up before I lose it all
A **E** **C#** **B**
It s tearing me inside the way you break me down
A **E** **C#** **B**
There will come a time when I will come undone and you let me fall
A **E** **C#** **B**
I leave it all behind before you break me down

A **F#** **C#**
And I ve realized forgiveness is calling
B **C#**

And it s calling

A F# C#

And I deny the reason I m falling

B C#

Yeah I m falling

A F# C#

So let go

A E C# B
I want to step a side I want to give it up before I lose it all

A E C# B
It s tearing me inside the way you break me down

A E C# B
There will come a time when I will come undone and you let me fall

A E C# B
I leave it all behind before you break me down
