Alter Bridge

[INTRO:] **A#m, G#, F#, F** 2x
C#, A#m 2x

[VERSE:]

C#
Fight the fight alone
A#m
When the world is full of victims
C#
Dims a fading light
A#m
In our souls

Leave the peace alone

How we all are slowly changing
C#
Dims a fading light
A#m
In our Souls

[PRE-CHORUS:]

G# F# A#m
In my opinion seeing is to know
G#
the things we hold
F# A#m
are always first to go

and whoâ€™s to say
F# F
we wonâ€™t end up alone

[CHORUS:]

C#
On broken wings Iâ€™m falling
G#/C
and it wonâ€™t be long
A#m
The skin on me is burning

By the fires of the sun

I'll search for so long
