

**Down To My Last**  
**Alter Bridge**

This is a very good song. For D#, its best if you only strum the last 3. So if its hard to do that, I suggest you use the thumb to cover the top 3 strings. I tried to make the chords following the actually song acoustically. Try these chords with the song and hopefully you can hear what i herd. HAVE FUN!!

G= 466544  
D= xxx343  
Em= 133111  
Bm= 335543

Intro: G D Em G

G D Em G  
To the ones in which we sing, We are honored you let us in  
G D Em G  
I remember the thoughts of many things, Of the glory that you bring  
G Bm  
I was never the right one, To dare to dream  
Em G  
Its funny what this life has done to me now.  
G Bm Em  
You were always the only, To help me see that was a road I must find  
D  
A road that was mine.

Chorus:

G D Em G  
But Im down to my last, Im standing here alone, Looking back on it  
all.  
G D Em Em D  
Im down to my last, Im ready but im wrong and, Im blind to it all.

(Chorus Ends)

G D Em G  
And to the ones which we sing, Ones who tried to do us in  
G D Em G  
I remember your name and I know your face, I cant forgive and cant erase  
G Bm  
I was never the right one, To hear the weight,  
Em G  
Of something fueled by words I learned to hate  
G Bm Em

You were always the only, To help me see that to love is to shine,

**D**

In your world Im blind.

Ending Chorus:

**G** **D** **Em** **G**

But im down to my last, Im standing here alone, Looking back on it all

**G** **D** **Em** **Em** **D**

But im down to my last, Im ready but im wrong and, im blind -- to it all.

(solo) **G D Em G** x3

**G** **D** **Em** **G** **D**

But Im donw to my last, Im ready but Im wrong, And Im scared of it all

**G** **D** **Em** **D**

But Im down to my last, Im ready but Im wrong, And Im blind--to it all

**G** **D** **Em** **D-**

But Im down to my last, Im ready but Im wrong, And im blind-- to it all

**G D Em G**
