

Down To My Last
Alter Bridge

This is a very good song. For D#, its best if you only strum the last 3. So if its hard to do that, I suggest you use the thumb to cover the top 3 strings. I tried to make the chords following the actually song acoustically. Try these chords with the song and hopefully you can hear what i herd. HAVE FUN!!

Bb= 466544

F= xxx343

Gm= 133111

Dm= 335543

Intro: **Bb F Gm Bb**

Bb **F** **Gm Bb**
To the ones in which we sing, We are honored you let us in
Bb **F** **Gm Bb**
I remember the thoughts of many things, Of the glory that you bring
Bb **Dm**
I was never the right one, To dare to dream
Gm **Bb**
Its funny what this life has done to me now.
Bb **Dm** **Gm**
You were always the only, To help me see that was a road I must find
F
A road that was mine.

Chorus:

Bb **F** **Gm** **Bb**
But Im down to my last, Im standing here alone, Looking back on it
all.
Bb **F** **Gm** **Gm** **F**
Im down to my last, Im ready but im wrong and, Im blind to it all.

(Chorus Ends)

Bb **F** **Gm Bb**
And to the ones which we sing, Ones who tried to do us in
Bb **F** **Gm Bb**
I remember your name and I know your face, I cant forgive and cant erase
Bb **Dm**
I was never the right one, To hear the weight,
Gm **Bb**
Of something fueled by words I learned to hate
Bb **Dm** **Gm**

You were always the only, To help me see that to love is to shine,

F

In your world Im blind.

Ending Chorus:

Bb **F** **Gm** **Bb**

But im down to my last, Im standing here alone, Looking back on it all

Bb **F** **Gm** **Gm** **F**

But im down to my last, Im ready but im wrong and, im blind -- to it all.

(solo) **Bb F Gm Bb** x3

Bb **F** **Gm** **Bb** **F**

But Im donw to my last, Im ready but Im wrong, And Im scared of it all

Bb **F** **Gm** **F**

But Im down to my last, Im ready but Im wrong, And Im blind--to it all

Bb **F** **Gm** **F-**

But Im down to my last, Im ready but Im wrong, And im blind-- to it all

Bb F Gm Bb
