Alter Bridge

Ghosts Of Days Gone By
Alter Bridge

G **D**
The misery I know
C **G**
Like a friend that won't let go
G **D** **G**
Is creeping up on me now once again

G **D**
So I sing this song tonight
C **G**
To the ghost that will not die
G **D** **G**
That somehow seems to haunt me till the end

C
Do you feel the same
Bm
For what once remained
G **D**
Yesterday is gone, we can't go back again
C **D** **G**
Do you ever cry for the ghosts of days gone by

G **D**
I remember summer days
C **G**
We were young and unafraid
G **D** **G**
With innocence we'd glide beneath the stars

G **D**
It seems so long ago
C **G**
Beyond the life that I now know
G **D** **G**
Before the years would have their way and break my heart

C
Do you feel the same
Bm
For what once remained
G **D**
Yesterday is gone, we can't go back again
C **D** **G**

Do you ever cry for the ghosts of days gone by

C **G**
And I know it s drawing closer
C **G**
With each day I feel the end
C **G**
I... don t wanna die
C **G**
Don t wanna die, don t wanna die
D
I don t wanna die

C
Do you feel the same
Bm
For what once remained
G **D**
Yesterday is gone, we can t go back again
C **E**
Do you ever cry for the days gone by
G **C**
Do they haunt you like a ghost until the end
G **C**
Haunt you till the end, until the end
G C **G D**
Until the end, until the end
