

Do you ever cry for the ghosts of days gone by

**C#** **G#**  
And I know it s drawing closer  
**C#** **G#**  
With each day I feel the end  
**C#** **G#**  
I... don t wanna die  
**C#** **G#**  
Don t wanna die, don t wanna die  
**Eb**  
I don t wanna die

**C#**  
Do you feel the same  
**Cm**  
For what once remained  
**G#** **Eb**  
Yesterday is gone, we can t go back again  
**C#** **F**  
Do you ever cry for the days gone by  
**G#** **C#**  
Do they haunt you like a ghost until the end  
**G#** **C#**  
Haunt you till the end, until the end  
**G# C# G# Eb**  
Until the end, until the end

\*This was the first time I tried to make chords of a song, so if you have any  
feedbacks or comments, send it to me! :)\*
