Ghosts Of Days Gone By
Alter Bridge

A **E**
The misery I know
D **A**
Like a friend that won't let go
A **E** **A**
Is creeping up on me now once again

A **E**
So I sing this song tonight
D **A**
To the ghost that will not die
A **E** **A**
That somehow seems to haunt me till the end

D
Do you feel the same
C#m
For what once remained
A **E**
Yesterday is gone, we can't go back again
D **E** **A**
Do you ever cry for the ghosts of days gone by

A **E**
I remember summer days
D **A**
We were young and unafraid
A **E** **A**
With innocence we'd glide beneath the stars

A **E**
It seems so long ago
D **A**
Beyond the life that I now know
A **E** **A**
Before the years would have their way and break my heart

D
Do you feel the same
C#m
For what once remained
A **E**
Yesterday is gone, we can't go back again
D **E** **A**

Do you ever cry for the ghosts of days gone by

D **A**
And I know it s drawing closer
D **A**
With each day I feel the end
D **A**
I... don t wanna die
D **A**
Don t wanna die, don t wanna die
E
I don t wanna die

D
Do you feel the same
C#m
For what once remained
A **E**
Yesterday is gone, we can t go back again
D **F#**
Do you ever cry for the days gone by
A **D**
Do they haunt you like a ghost until the end
A **D**
Haunt you till the end, until the end
A D **A E**
Until the end, until the end
