Bm - X24432

**D** - XX0232

Em - 022000

**G** - 320033

[Verse 1]

-

Sitting alone in the cold of the night

מ ת

You re trying to find what you need to survive

Bm G

You re so afraid

D

You can t go on

Bm (

Left in the silence that tears at your heart

D A

They only remind you how broken you are

Bm G

You ve lost your way

D

But hope is not gone

[Chorus]

D

Cause the sun always sets

Α

The moon always falls

Bm

It feels like the end

G

Just pay no mind at all

D A

Keep rolling, rolling

Bm A G

Life must go on

[Verse 2]

Bm

Do you remember and long for the past

D

When love was eternal

Α

```
And joy seemed to last
      Bm G
Yesterday
Forever is gone
[Chorus]
Cause the sun always sets
The moon always falls
It feels like the end
        G
Just pay no mind at all
     D
Keep rolling, rolling
            Bm A G
Life must go on
[Bridge]
   Em
We have our misfortunes
   G
The darkest of days
We must endure and keep strong
Just look to the morning
The promise awaits
And know that this life must go on
[Outro]
  Α
      Bm G
   A
       Bm G
```
