

Not Above Love  
AlunaGeorge

**Dm** **Bb**  
I don t usually go all in, babe  
**F** **Am**  
But you re a hand that I had to play  
**Dm**  
And you took me all the way  
**Dm** **Bb**  
Make me lose more than I could win, babe  
**F** **Am** **Dm**  
And I really need to let you know

**Dm** **Bb**  
I m not above love, I just ran out of it  
**F** **Am** **Dm**  
I m not above love, so it s not like I don t care  
**Dm**  
And I know you re thinking the worst of me  
**Bb**  
But I hope one day you ll see  
**F** **Am** **Dm**  
I m not above love, I just ran out of it

**Dm**  
You keep robbing my heart like a bank  
**Bb**  
And I only got myself to blame  
**F** **Am**  
You keep robbing my heart like a bank  
**Dm**  
No thank you, no thank you  
**Dm**  
I m not gonna call you in  
**Bb**  
Cause you re taking everything  
**F** **Am**  
You keep robbing my heart like a bank  
**Dm**  
No thank you, no thank you

**Dm** **Bb**  
I don t usually overdose  
**F** **Am**  
But you re a drug that I had to take  
**Dm**  
Another fix, I couldn t wait  
**Dm** **Bb**  
Now the edge is far too close

**F**                      **Am**                      **Dm**  
So I really need to let you know

**Dm**  
You keep robbing my heart like a bank

**Bb**  
And I only got myself to blame

**F**                                      **Am**  
You keep robbing my heart like a bank

**Dm**  
No thank you, no thank you

**Dm**  
I m not gonna call you in

**Bb**  
Cause you re taking everything

**F**                                      **Am**  
You keep robbing my heart like a bank

**Dm**  
No thank you, no thank you

**Dm**                                      **Bb**  
You took me to a place so far from here

**F**                      **Am**                      **Dm**  
You took me to another atmosphere

**Dm**                                      **Bb**  
But I got so high, I couldn t breathe

**F**                      **Am**                      **Dm**  
And I ve been holding, holding, holding, holding, holding, holding...

**Dm**                                      **Bb**  
I m not above love, I just ran out of it

**F**                      **Am**                      **Dm**  
I m not above love, so it s not like I don t care

**Dm**  
And I know you re thinking the worst of me

**Bb**  
But I hope one day you ll see

**F**                      **Am**                      **Dm**  
I m not above love, I just ran out of it

**Dm**  
You keep robbing my heart like a bank

**Bb**  
And I only got myself to blame

**F**                                      **Am**  
You keep robbing my heart like a bank

**Dm**  
No thank you, no thank you

**Dm**  
I m not gonna call you in

**Bb**  
Cause you re taking everything

**F**                                      **Am**

You keep robbing my heart like a bank

**Dm**

No thank you, no thank you
