Aly & AJ

**Em** **C**  
I get in the car

**G** **D**  
Another tragic disaster

**Em** **C**  
But I m safe where I am

**G** **D**  
Yet another is captured

**Em**  
The traffic is stopped

**C**  
People just stare

**G**  
Another alert does the kid have a prayer?

**Em** **C** **G**  
Life is not fair

Chorus

**Em** **C**  
Its hard to look outside my door

**D** **G**  
With all the news reports and more

**Em** **C**  
Yet I will do my part and stay on alert

**D** **C**  
For all the kids out there who are getting hurt

**G** **Em**  
It could have happened to me

**D** **G**  
Can you make me believe

**Em** **D** **C**  
This could have a happy end

**Em** **C** **G**  
Cause I am one of them

**Em**  
I try to grow up

**C**  
But I am chased by my fears

**D**  
It could happen to me

**Em**  
And I worry in tears

**C**  
Reports of the girl
