Into your head, into your mind  
out of your soul, race through your veins  
You can t escape, you can t escape.

Into your life, into your dreams,  
Out of the dark, sunlight again.  
You can t explain, you can t explain.

Pre-Chorus:

**Dm**  
Can You feel it, can you feel it,  
**C**  
Rushin through your hair,  
Rushin through your head,  
**Bb**  
Can you feel it, can you feel it,

Chorus:

**Dm** **Bb** **F#**  
Don t let nobody tell you, your life is over,  
**C** **Dm**  
Be every color that you are,  
**Bb**  
Into the rush now,  
**F#**  
You don t have to know how,  
**C** **Dm**  
Know it all before you try.

Verse: all in Dm  
Pulling you in, spinning you round,  
Lifting your feet right off the ground,  
You can t believe it s happening now.

Pre-chorus: Same as before  
Can You feel it, can you feel it,  
Rushin through your hair,  
Rushin through your head,  
Can you feel it, can you feel it,

Be every color that you are,  
Into the rush now,  
You don t have to know how,  
Know it all before you try.

Be every color that you are,  
Into the rush now,  
You don t have to know how,  
Know it all before you try.

Don t let nobody tell you,  
Yeah, yeah, yeah, yeah  
Don t let nobody tell you,  
Yeah, yeah, yeah, yeah

Don t let nobody tell you, your life is over,  
Be every color that you are,  
Into the rush now,  
You don t have to know how,  
Know it all before you try
