Out of the dark, sunlight again.
You can t explain, you can t explain.

Pre-Chorus:

Dm
Can You feel it, can you feel it,
C
Rushin through your hair,
Rushin through your head,
Bb
Can you feel it, can you feel it,

Chorus:

Dm **Bb** **F#**
Don t let nobody tell you, your life is over,
C **Dm**
Be every color that you are,
Bb
Into the rush now,
F#
You don t have to know how,
C **Dm**
Know it all before you try.

Verse: all in Dm
Pulling you in, spinning you round,
Lifting your feet right off the ground,
You can t believe it s happening now.

Can You feel it, can you feel it,
Rushin through your hair,
Rushin through your head,
Can you feel it, can you feel it,

Don t let nobody tell you, your life is over,
Be every color that you are,
Into the rush now,
You don t have to know how,
Know it all before you try.

Brdge: **Dm-Bb-F#-C** play this order-
It takes you to another place,

Don t let nobody tell you, your life is over,
Be every color that you are,
Into the rush now,
You don t have to know how,
Know it all before you try.

Don t let nobody tell you,
Yeah, yeah, yeah, yeah
Don t let nobody tell you,
Yeah, yeah, yeah, yeah

Don t let nobody tell you, your life is over,
Be every color that you are,
Into the rush now,
You don t have to know how,
Know it all before you try

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
