Verse 1:
```
          Ebm
This is my world
                 B
four walls and a view
                F#
i stare at the ceiling
          C#
chasing my feeling
              Ebm
around in my head
         B
im so confused
          F#
constanly wishing
for what i ve
     C#
been missing
      B
in my life
              F#
i learn to be strong
        C#
when the walls
are crumbling
B                 B(hold)
  all around my heart
```

Chorus 1:
```
F#
  You might say I
             C#
feel lost and found
You might say I m
           Ebm
all turned around
this is the first
time that I
B          F#
know who I am
Cause now my feet
            C#
are on solid ground
before I didn t
             Ebm
know up from down
It won t be long
       B
till I find
          C#  F# B
were I m going now
```

```
Verse 2:
C#(hold)  Ebm
I must confess
         B
I was a mess
I tried not
   F#
to show it
didn t want
        C#
them to know it
Cause everyone
Ebm
has their own
         B
cross to bear
and mine is
      F#
still waiting
for everything to
C#               B
fall back into place
But I learned
       F#
to be strong
         C#
When the rain
is falling
```

```
B                    B(hold)
  all around my heart

Chorus 2:
F#
  You might say I
               C#
feel lost and found
You might say I m
             Ebm
all turned around
this is the first
time that I
B           F#
know who I am
Cause now my feet
             C#
are on solid ground
before I didn t
              Ebm
know up from down
It won t be long
        B
till I find
          C#
were I m going now

Bridge:
Ebm          B
  Don t look back
                 F#
Learn from the past
           C#
Living for now is
                Ebm
what keeps me going
          B
don t look back but
              F#
hold the memories
I can do this
C#
I must do this
(Repeat)

Verse 3:
           Ebm
This is my world
               B
A much better view
```

```
                    F#
I feel myself growing
              C#
without even knowing
            Ebm
what lies ahead
(what lies ahead)
                  B
but who really knows
            F#
I ll just embrace it
                    C#
with love, I can face it

Chorus 4: Modulate from F# to C#
G#
   You might say I
                Eb
feel lost and found
You might say I m
              Fm
all turned around
this is the first
time that I
C#            G#
know who I am
Cause now my feet
                Eb
are on solid ground
before I didn t
                Fm
know up from down
It won t be long
        C#
till I find
              Eb
were I m going now
(Repeat)

Outro:
G#  C#              C#
   I know were I m going now
G#  C#              C#
   I know were I m going now
G#  C#              C#     G#(hold)
   I know were I m going now
