

Easy

Alyssa Bernal

I think there's some mistakes on the lyrics, but I'm not quite sure. Just let me know if you find anything wrong. This is my first tab, hope you enjoy it !

Capo on 3th

G

it's so easy loving you

C

it really isn't much you do

F

you don't have to turn the lights

G

you don't have to make you right

G

it's so easy loving you

C

we don't have to make a move

F

we could lie around all day

D

being lazy

G

when the world comes fast to break a sun

Em

someone says you're not good enough

Am

C

G

we still know what we've got is easy

G

even know I can test you

C

saw you down and mess with you

F

then we walk on the beach at night

G

and it's so right

G

think I know you all my life

C

even though you were mad at me

F

in your eyes I see your light

D

it's easy

G
when the world comes fast to break a sun

Em
someone says you re not good enough

Am **C** **G**
we still know what we ve got is easy

G
sometimes when you are far away

Em
my mind plays tricks but that s ok

Am **C** **G** **Em C**
cause i still know what we ve got is easy,easy

G **Em C** **G**
hey ay ay... hey ay ay...

F **C** **D**
cause i still know what we ve got...yeah...

G
when the world comes fast to break a sun

Em
someone says you re not good enough

Am **C** **G**
we still know what we ve got is easy

G
sometimes when you are far away

Em
my mind plays tricks but that s ok

Am **C** **G**
cause i still know what we ve got is easy,easy
