

Piece Of My Mind
Aman (Aman Sheriff)

CAPO 4th FRET

[Intro]

Am C G F

[Verse 1]

Am **C**
Had I known what was to come
G **F**
I'd stay alone with my door shut
Am **C**
These feelings that I had for you
G **F**
They didn't seem to find their way through
Am **C**
I dream that we hold hands and walk
G **F**
Sit by the lake we'd laugh & talk
Am **C**
But when I woke no one was here
G **F**
Just me and this single tear

[Pre-Chorus]

Am **C**
Alcohol & cigarettes
G **F**
Smoking till my eyes go red
Am **C**
The things you said I won't forget
G **F***
Doing things that I will regret
So,

[Chorus]

Am **C**
Take a piece of my mind
G **F**
Listen clear because I ain't repeating
Am **C**
Gonna leave you behind
G **F**
I'm sick and tired of always feeling
Am **C**

Take a piece of my mind
G **F**
It ain't hard to say goodbye
Am **C**
Gonna leave you behind
G **F**
Because I'm done crying

[Verse 2]

Am **C**
Falling in & out of love
G **F**
Does it always have to be so rough
Am **C**
Crawling back into my shell
G **F***
but I'm going out

[Pre-Chorus]

Am **C**
Alcohol & cigarettes
G **F**
Smoking till my eyes go red
Am **C**
The things you said I won't forget
G **F***
Doing things that I will regret
So,

[Chorus]

Am **C**
Take a piece of my mind
G **F**
Listen clear because I ain't repeating
Am **C**
Gonna leave you behind
G **F**
I'm sick and tired of always feeling
Am **C**
Take a piece of my mind
G **F**
It ain't hard to say goodbye
Am **C**
Gonna leave you behind
G **F**
Because I'm done crying
