[Intro]
G A Bm A

[Verse 1]
```
     Bm                      A
Your love has ravished my heart
           D/F#               G
And taken me over, taken me over
    Bm                  A
And all I want is to be
        D/F#              G
With You forever, with You forever
```

[Chorus 1]
```
    D                 A/C#
So pull me a little closer
                    Bm
Take me a little deeper
                   G
I want to know Your heart
                   D
I want to know Your heart
                     A/C#
 cause Your love is so much sweeter
                   Bm
Than anything IÃ¢Â€Â™ve tasted
                   G
I want to know Your heart
                   D
I want to know Your heart
```

â€™cause Your love is so much stronger
