Intro: **Bb D**

And I try and I try and I try  
And I try and I try and I try

Verse: **D Am C**

Versel:

Nobody moves me  
I ve been through this life with no place that I can call my own  
I m thinking about me  
I never seem to find anybody that could feel like home  
But I try and I try and I try and I try

Chorus:

Funny how it feels  
when there s nothing to say-ay-ay-ay-ay  
Trapped with my ideals  
I can t contain-ain-ain-ain-ain  
I m wrapped in cellophane  
I m wrapped in cellophane  
I m wrapped in cellophane  
And it knows my name

Verse 2:

Nobody told me  
Obsessive needs were always following me around  
And you can t ignore me  
I look at my face and they tell me my place and town  
And he said and she said And he said and she said

Chorus:

Funny how it feels  
when there s nothing to say-ay-ay-ay-ay  
Trapped with my ideals  
I can t contain-ain-ain-ain-ain  
I m wrapped in cellophane  
I m wrapped in cellophane  
I m wrapped in cellophane  
And it knows my name
