La la la

Bm G

I don't need no money, mommy

Bm G

I don't have a lover, brother

Bm G

I keep away from the yuppies, papi

Em F#

I just want my Amarula tree

Bm G

Oh, it moves me without a touch

Bm G

People say that I think too much

Bm G

But I'm as happy as I can be

Em F#

Hanging by my Amarula tree

Bm G D

I'm a dreamer and I dream of what will be

F#

A better destiny

Bm G D

I'm a dreamer, and as far as I can see

F#

Amarula trees

Bm G D

I'm a dreamer and I dream of what will be

F#

Bm G

A better world for you and me

Bm G

I don't look back, I look beyond

Bm G

I'm just a struggling vagabond

Bm G

But I get by with it on my own

Em F#

Where you are is where I call home

Bm G

Whouh, it moves me without a touch
