La la la

Bm G
I dont need no money, mommy
Bm G
I don t have a lover, brother
Bm G
I keep away from the yuppies, papi
Em F#
I just want my Amarula tree

Bm G
Oh, it moves me without a touch
Bm G
People say that I think too much
Bm G
But I m as happy as I can be
Em F#
Hanging by my Amarula tree

Bm G D
I m a dreamer and I dream of what will be
F#
A better destiny

Bm G D
I m a dreamer, and as far as I can see
F#
Amarula trees

Bm G D
I m a dreamer and I dream of what will be
F# Bm G
A better world for you and me

Bm G
I don t look back, I look beyond
Bm G
I m just a struggling vagabond
Bm G
But I get by with it on my own
Em F#
Where you are is where I call home

Bm G

Whouh, it moves me without a touch

Bm **G**
