

For The Sun

Amanda Jenssen

[Verse]

It s been four years since I saw the ocean
It s been five nights since I held your hand
It s been forever since we talked
the whole night through
It s been too long I need a comfort hand

[Chorus]

So tell my love I m leaving
I gotta find something to believe in
Tell my love I m leaving
for the sun for the sun
A new day has begun

[Verse]

It s been forty nights and forty days
since I said I loved you
Took me two weeks to understand
But I just keep on searching
everywhere for something true
But I guess it all leads back to you

[Chorus]

So tell my love I m leaving
I gotta find something to believe in
Tell my love I m leaving
for the sun for the sun

and the moon and the ocean
