Intro

Em, Am, B7

Verse

Em **Am** **B7**
He s a drug, My reverend hard drug, all seven of my sins was for him
Em **Am** **B7**
As we sprung on rivers black tongues, forgive us heaven s door was closing

Pre chorus

C **Em**
Now it s too late think the window passed me by
C **B7**
I sleep awake in my limbo state of mind

Chorus

Em **G** **Am**
Watched it break, break, break, overtake, take, take, all my holy,
Em
washed away.
Em **G** **Am**
Lay them low, low, low they don t know, know, know, that you had me lose
Em
control,
Em **Am** **B7**
almost had me, now you don t

Stir up stor and chaos no norm can save us from outself, hurting spells
I live under ladders a-weels don t matter, we were born as we fell

Into the war between reason and belief, of healing sores I ve got nothing left

to bleed.

Watched it break, break,break overtake, take, take all my holy, washed away
Lay them low, low, low, they don t know, know, know no more mercy, fever flows,
you
can t hurt me, I m a ghost.
