

The Voyage

Amanda Lindsey Cook

VERSE 1:

G **Bm**
Speak, even if your voice is trembling
G **Bm**
Please, you've been quiet for so long
G **Bm** **G** **Bm**
Believe, it'll be worth the risk you're taking

VERSE 2:

G **Bm**
You're afraid, but you can hear adventure calling
G **Bm**
There's a rush of adrenaline to your bones
C **Am** **G** **Bm**
What you make of this moment changes everything

CHORUS:

C **Am**
What if the path you choose becomes a road
Em **D**
The ground you take becomes a home
C **Am**
The wind is high, but the pressure's off
G **D**
I'll send the rain wherever we end up, wherever we end up

VERSE 3:

G **Bm**
Set your sights, sailing far beyond familiar
G **Bm**
In the rising tide, you'll find the rhythm of your heart
C **Am** **G** **Bm**
And lift your head, now the wind and waves don't matter

OUTRO:

C **Am**
I am the wind in your sails
Em
I am the wind in your sails
D
I am the wind in your sails
