Intro: **Dm9 F/A Dm9 F/A Dm9 F/A Fmaj7 G** x2

Dm9 F/A Dm9 F/A
I got a friend he lives down in old Albuquerque
Dm9 F/A Fmaj7 G
We used to watch the sun coming up together
Dm9 F/A Dm9 F/A
But he was hungry then and he got restless
Dm9 F/A Fmaj7 G
I heard he took a wife, I think her name is Heather

Bb F/A G F
All of a sudden I m driving in the rain
Bb F/A G F
With the Santa Fe horizon calling out my name
Bb F/A G F
Should have done it sooner, now I know it s time
Bb F/A G F
Cause we said a lot of things, but we never said goodbye

Dm9 F/A Dm9 F/A
We were a team, we were the best of friends
Dm9 F/A Fmaj7 G
We had a world were no-one else could find us
Dm9 F/A Dm9 F/A
The summer passed, September came too soon
Dm9 F/A Fmaj7 G
And suddenly that world was all behind us

Bb F/A G F
Driving through the night with nothing on my mind
Bb F/A G F
But the thought of catching up with a ghost I left behind
Bb F/A G F
Don t know what I ll do but I know I ve got to try
Bb F/A G F
Cause we said a lot of things, but we never said goodbye

Solo: **Bb F/A G F** x4

Dm9 F/A Dm9 F/A

I drove 1000 miles chasing a memory

Dm9 F/A Fmaj7 G

But all the pieces of what used to be have shattered

Dm9 F/A Dm9 F/A

And all the little things that used to mean so much

Dm9 F/A Fmaj7 G

I look around me now and see that they don't matter

Bb F/A G F

All of a sudden I'm driving home again

Bb F/A G F

Cause sometimes goodbye is better left unsaid

Bb F/A G F

The Santa Fe horizon will know the reason why

Bb F/A G F

I said a lot of things to you, but I never said goodbye
