C# D#
Standing on the edge of time
C# D#
Playing out a reckless pantomime
C# D# Fm
And every day s another wrong to rectify
C# D#
I dream about a stranger s touch
C# D# C#
And voices in my head I cannot hush
D# Fm
And every night s a hunger I can t satisfy

C# D#
It s the secret that I keep
C# D#
It s the ache that makes me weep
C# D#
And I know I m in too deep
Fm
I m gonna drown
C# D#
It s the emptiness I fear
C# D#
Baby, please don t leave me here
C# D#
â€˜Cause I m lost inside a dream
Fm C# Fm C# Fm C#
That s out of bounds

C# D#
I close my eyes and it s so real
C# D#
And all at once I know just what I feel
C# D# Fm
And baby it s the kind of rush that terrifies
C# D#
I am weak - I am wrong

C# D#

And every day I swear that I ll be strong

C# D# Fm

But there s a bond between us that I can t deny

C# D#

It s the secret that I keep

C# D#

It s the ache that makes me weep

C# D#

And I know I m in too deep
