Intro: **A**

[A] Put your car keys down, you d better stick around  
[C] You re the only [G] one to get this [A] done  
[A] Close and lock the door, Drop down to the floor  
[C] Forget the phone [G] until you see the [A] sun

[D] Baby it s all right  
[E] Because you know I ll make this fun  
[D]When we see the morning light  
We ll be right back, where we started from

Chorus:

[A] Cause this could take all night  
And it s a dirty low down job  
[E] When you do it right  
[A] You can turn it off, [D] you can leave it on  
I don t care about the light  
[A] Cause this could [E] take all [A] night

[A] I hope you re in good shape, cause you ll be working late  
[C] Don t watch the clock, [G] don t try to stop this [A] time  
[A] Just keep on going strong, work it all night long  
[C] I ll make you glad [G] it s in the stars you re [A] mine

[D] Baby don t be afraid  
[E] a little work won t hurt your back  
[D] But just in case I m wrong  
you ll be smiling  
when they pronounce you dead

Chorus repeat

Guitar Solo

[D] Baby it s all right  
[E] Because you know I ll make this fun  
[D] When we see the morning light  
We ll be right back, where we started from

Chorus Repeat

[A] You can turn it off, you can [D] leave it on  
I don t care about the light  
[A] Cause this could [E] take all [A] night
