Tuning: Standard

Chords:
Am F C E Dm

#Verse: basically **Am** throughout every verse, with an exception in verse 3

Am
I have seen you in the Turkish baths
I didn t know if I should cry or laugh
Nakedness has a sweet, sweet smell
Which sends me down to the pits of hell
The steam, that rises form the water
Tells me you re satan s daughter
If I am the devil s son
Then into the darkness we should run

#Chorus:

F C
If sodomy is not just for animals
E Am
Human flesh, is not just for cannibals
F C
I ll feast on your body if you ll feast on mine
E Am
Cause blood is thicker, and redder than wine
F C
Oh, lay ourselves out, upon the table
E Am
Ravish each other till we re no longer able
F C
When juices mix in the heat of the fray
E------(let ring)-----
It ll make a formidable marinade

Am
If I put my hand in Pandora s box
And I was smitten by a deathly pox

If I was a leper or the warts on a toe
 Would you think well of me, when I go
 If I wrote my name with a razorblade
 In the palm of your hand, would it still fade?
 If I kissed your lips would you think it wrong
 Or would you come along with me

If sodomy is not just for animals
 Human flesh, is not just for cannibals
 I ll feast on your body if you ll feast on mine
 Cause blood is thicker, and redder than wine
 Oh, lay ourselves out, upon the table
 Ravish each other till we re no longer able
 When juices mix in the heat of the fray
 It ll make a formidable marinade

Am

I ll roast you on the spit like a fatted calf
 When you re done I ll split your body in half
 Climb into your redenned core
 Curl up tight, and close the door

Dm

In your body I ll dream of things
 Like geese and mustard
 Cabbages and kings

Am Thermos full of chocolate sauce
 And men who live on only remorse

If sodomy is not just for animals
 Human flesh, is not just for cannibals
 I ll feast on your body if you ll feast on mine
 Cause blood is thicker, and redder than wine
 Oh, lay ourselves out, upon the table
 Ravish each other till we re no longer able
 When juices mix in the heat of the fray
 It ll make a formidable marinade

suited
the purpose. enjoy!
