Creep (Radiohead cover)- Amanda Palmer

This is my first tab, so it might not be perfect. Because this song is played on a ukelele, put a capo on the 4th fret, to make it sound more like her version. Also, there are two chords that I don't know the name of, so I've named them Z and Z2.

Tabbed by: Donnie (G+SF948)

The song carries out like this for its entirety. Listen to Amanda's version of it to get the rhythm.
