

Creep

Amanda Palmer

Creep (Radiohead cover)- Amanda Palmer

This is my first tab, so it might not be perfect. Because this song is played on a ukelele, put a capo on the 4th fret, to make it sound more like her version. Also, there are two chords that I don't know the name of, so I've named them Z and Z2.

Tabbed by: Donnie (G+SF948)

Tuning: Standard

Chords:

F#	B	Z	Z2
3	0	x	8
3	1	4	8
0	0	4	8
0	2	4	x
2	3	0	x
3	0	x	x

When you're doing the Z2 chord, on the final note, do this:

Z2:

10
8
8
x
x
x

F# **Z**

When you were here before, couldn't look you in the eyes,

B **Z2**

You're just like an angel, your skin makes me cry.

F# **Z**

You float like a feather, in beautiful weather,

B **Z2**

I wish I was special, you're so fucking special.

The song carries out like this for its entirety. Listen to Amanda's version of it to get the rhythm.
