

## Creep

Amanda Palmer

Creep (Radiohead cover)- Amanda Palmer

This is my first tab, so it might not be perfect. Because this song is played on a ukelele, put a capo on the 4th fret, to make it sound more like her version. Also, there are two chords that I don't know the name of, so I've named them Z and Z2.

Tabbed by: Donnie (G+SF948)

Tuning: Standard

Chords:

**A**    **D**    Z    Z2

3    0    x    8

3    1    4    8

0    0    4    8

0    2    4    x

2    3    0    x

3    0    x    x

When you're doing the Z2 chord, on the final note, do this:

Z2:

10

8

8

x

x

x

**A**

**Z**

When you were here before, couldn't look you in the eyes,

**D**

**Z2**

You're just like an angel, your skin makes me cry.

**A**

**Z**

You float like a feather, in beautiful weather,

**D**

**Z2**

I wish I was special, you're so fucking special.

The song carries out like this for its entirety. Listen to Amanda's version of it to get the rhythm.
