

**Creep**

**Amanda Palmer**

Creep (Radiohead cover)- Amanda Palmer

This is my first tab, so it might not be perfect. Because this song is played on a ukelele, put a capo on the 4th fret, to make it sound more like her version. Also, there are two chords that I don't know the name of, so I've named them Z and Z2.

Tabbed by: Donnie (G+SF948)

Tuning: Standard

Chords:

<b>A</b>	<b>D</b>	<b>Z</b>	<b>Z2</b>
3	0	x	8
3	1	4	8
0	0	4	8
0	2	4	x
2	3	0	x
3	0	x	x

When you're doing the Z2 chord, on the final note, do this:

Z2:

10  
8  
8  
x  
x  
x

**A** **Z**

When you were here before, couldn't look you in the eyes,

**D** **Z2**

You're just like an angel, your skin makes me cry.

**A** **Z**

You float like a feather, in beautiful weather,

**D** **Z2**

I wish I was special, you're so fucking special.

The song carries out like this for its entirety. Listen to Amanda's version of it to get the rhythm.
