

Smile Pictures Or It Didn't Happen
Amanda Palmer

This song is easy as pie. Enjoy!

G

Smile

C

You can forget about your life

G

Smile

C

You can forget about your life

F

C

The truth will follow you

F

C

The truth will follow you

F

C

The proof will swallow you up

F

Holy shit, you got some action

(stop strumming)

Pictures or it didn't happen

G

Smile, smile

C

Your teeth are broke and it's all right

G

Smile, smile

C

Your teeth are broke and it's all right

F

C

They'll break the best of you

F

C

They'll break the best of you

F

C

It makes you beautiful

F

So fists into the lips of fashion

(stop strumming)

Pictures or it didn't happen

C

D

I had such an awful dream last night

C

D

Everybody s faces were too tight

C **D**
Please don t leave me in this nightless light

C **D**
God, I m gonna miss you when you

G
Smile

C
The end is near and it s high time

G
Smile, smile, smile

C
The end is near and it s high time

F **C**
The light s amazing, man

F **C**
So time your Instagram

F **C**
The rapture swallowing the

F
Land, but we re the last ones laughing
Pictures or it didn t happen

(stop strumming)
Get it cause we ll all be dead
And no one dead can use a camera

C **D**
I had such an awful dream last night

C **D**
Everybody s faces went all white

C
Everybody in the world was either
Getting killed or getting footage of the killing

D
That they sent to surgeons working in the sky

C
I don t wanna

D
I don t wanna go to

C
I don t wanna go to Cali

D
I don t wanna go to California

C **D**
I don t want to die

C **D**
I don t want to die

C **D**

I don t want to die

(C until end)

Thanks to 88BlackBat88 at The Shadowbox for posting the chords. He deserves all the credit, I just compiled it together with the lyrics for easier reading/performing. If you see him around, tell him thanks!
