Smile Pictures Or It Didnt Happen
Amanda Palmer

This song s easy as pie. Enjoy!

F
Smile
                                      Bb
You can forget about your life
F
Smile
                                      Bb
You can forget about your life

    Eb   **Bb**
The truth will follow you
      Eb   **Bb**
The truth will follow you
   Eb   **Bb**
The proof will swallow you up
Eb
Holy shit, you got some action

(stop strumming)
Pictures or it didn t happen

F
Smile, smile
                                        Bb
Your teeth are broke and it s all right
F
Smile, smile
                                        Bb
Your teeth are broke and it s all right

      Eb   **Bb**
They ll break the best of you
      Eb   **Bb**
They ll break the best of you
   Eb   **Bb**
It makes you beautiful
Eb
So fists into the lips of fashion

(stop strumming)
Pictures or it didn t happen

Bb   **C**
I had such an awful dream last night
Bb   **C**

Everybody s faces were too tight
Bb   **C**
Please don t leave me in this nightless light
Bb   **C**
God, I m gonna miss you when you

F
Smile
                                              Bb
The end is near and it s high time
F
Smile, smile, smile
                                              Bb
The end is near and it s high time

     Eb   **Bb**
The light s amazing, man
   Eb   **Bb**
So time your Instagram
      Eb   **Bb**
The rapture swallowing the
Eb
Land, but we re the last ones laughing
Pictures or it didn t happen

(stop strumming)
Get it cause we ll all be dead
And no one dead can use a camera

Bb   **C**
I had such an awful dream last night
Bb   **C**
Everybody s faces went all white
Bb
Everybody in the world was either
Getting killed or getting footage of the killing
                                              C
That they sent to surgeons working in the sky

Bb
I don t wanna
             C
I don t wanna go to
                     Bb
I don t wanna go to Cali
                  C
I don t wanna go to California

                 Bb   **C**
I don t want to die
                 Bb   **C**
I don t want to die
                 Bb   **C**

I don t want to die

(**Bb** until end)
