

**Want It Back**  
**Amanda Palmer**

I was expecting other people to be all over this tab cause this song is awesome, catchy, and simple. But I still don't see any tabs for it. So, I decided to put up the chords. It's a simple four-chord progression:

**F C Dm Bb**

Piece of cake. But here are the lyrics with the chords just in case:

**F C Dm Bb**  
Hearts on a string like an older-fashioned phone can  
**F C Dm Bb**  
BANG ringy ring and you think you're gonna get some  
**F C Dm Bb**  
Thing you can bring to a party at your wake not  
**F C Dm Bb**  
Thinking of the thing that you pay back when you take it...  
**Bb**  
Take it

**F C Dm Bb**  
Like rats in a cage pushed the button got the shock  
trick  
**F C**  
Snickers in your bag  
**Dm Bb**  
Had your number but I lost it  
**F C Dm Bb**  
Bets are all off you're a lily-livered giver indie  
**F C Dm Bb**  
In the hidden costs you're a sucker and you win  
Â

**F C**  
It doesn't matter if you want it back  
**Dm**  
You've given it away  
**Bb**  
You've given it away  
**F C**  
It doesn't matter if you want it back  
**Dm**  
You've given it away  
**Dm**  
Away, away, away, away, away, oh

Â

**F C Dm Bb**  
He s al-ready on the outskirts  
**F C Dm Bb**  
I m still pulling at his sweatshirt  
**F C Dm Bb**  
He says fate is not a factor  
**F C Dm Bb**  
I m in love with every actor

So  
**F C Dm Bb**  
Once when you re gone and I wanna do it backwards  
**F C Dm Bb**  
Just like the song, we re addicted to the L-word  
**F C Dm Bb**  
Up past your head, down your back, around your ankles  
**F C Dm Bb**  
Ready for attack, you re upstaged and then you re strangled

**F C Dm Bb**  
Cringe like you re cursed with your wrecking ball-y necklace  
**F C Dm Bb**  
I saw it first and I crushed it with my hamfist  
**F C Dm**  
High for the contest who s the better  
**Bb**  
not see  
**F C Dm Bb**  
Eye to eye to eye and now you re blind and you can t catch me...  
**Bb**  
Catch me

**F C Dm Bb**  
If you can  
(he s al-ready on the outskirts)  
**F C Dm Bb**  
If you can  
(I m still pulling on his sweatshirt)  
**F C Dm Bb**  
If you can  
(he says fate is not a factor)  
**F C Dm Bb**  
If you can  
(I m in love with every actor)

**F C**  
It doesn t matter if you want it back  
**Dm**  
You ve given it away

**Bb**

You ve given it away

**F**

**C**

It doesn t matter if you want it back

**Dm**

You ve given it away

**Bb**

You ve given it away...

**F C Dm Bb**

He s al-ready on the outskirts

**F C Dm Bb**

I m still pulling at his sweatshirt

**F C Dm Bb**

He says fate is not a factor

**F C Dm Bb**

I m in love with every actor...

I will let you go if you will let some

I will let you go if you will let somebody

I will let you go if you will let somebody love you

I will let you go if you will let somebody love you like

I will let you go if you will let somebody love you like i do...
