

Want It Back
Amanda Palmer

I was expecting other people to be all over this tab cause this song is awesome, catchy, and simple. But I still don't see any tabs for it. So, I decided to put up the chords. It's a simple four-chord progression:

F# C# Ebm B

Piece of cake. But here are the lyrics with the chords just in case:

F# C# Ebm B
Hearts on a string like an older-fashioned phone can
F# C# Ebm B
BANG ringy ring and you think you're gonna get some
F# C# Ebm B
Thing you can bring to a party at your wake not
F# C# Ebm B
Thinking of the thing that you pay back when you take it...
B
Take it

F# C# Ebm B
Like rats in a cage pushed the button got the shock
trick
F# C#
Snickers in your bag
Ebm B
Had your number but I lost it
F# C# Ebm B
Bets are all off you're a lily-livered giver indie
F# C# Ebm B
In the hidden costs you're a sucker and you win
Â

F# C#
It doesn't matter if you want it back
Ebm
You've given it away
B
You've given it away
F# C#
It doesn't matter if you want it back
Ebm
You've given it away
Ebm
Away, away, away, away, away, oh

Â

F# C# Ebm B
He s al-ready on the outskirts

F# C# Ebm B
I m still pulling at his sweatshirt

F# C# Ebm B
He says fate is not a factor

F# C# Ebm B
I m in love with every actor

So

F# C# Ebm B
Once when you re gone and I wanna do it backwards

F# C# Ebm B
Just like the song, we re addicted to the L-word

F# C# Ebm B
Up past your head, down your back, around your ankles

F# C# Ebm B
Ready for attack, you re upstaged and then you re strangled

F# C# Ebm B
Cringe like you re cursed with your wrecking ball-y necklace

F# C# Ebm B
I saw it first and I crushed it with my hamfist

F# C# Ebm
High for the contest who s the better

B
not see

F# C# Ebm B
Eye to eye to eye and now you re blind and you can t catch me...

B
Catch me

F# C# Ebm B
If you can
(he s al-ready on the outskirts)

F# C# Ebm B
If you can
(I m still pulling on his sweatshirt)

F# C# Ebm B
If you can
(he says fate is not a factor)

F# C# Ebm B
If you can
(I m in love with every actor)

F# C#
It doesn t matter if you want it back
Ebm
You ve given it away

B

You ve given it away

F#

C#

It doesn t matter if you want it back

Ebm

You ve given it away

B

You ve given it away...

F# C# Ebm B

He s al-ready on the outskirts

F# C# Ebm B

I m still pulling at his sweatshirt

F# C# Ebm B

He says fate is not a factor

F# C# Ebm B

I m in love with every actor...

I will let you go if you will let some

I will let you go if you will let somebody

I will let you go if you will let somebody love you

I will let you go if you will let somebody love you likeÂ

I will let you go if you will let somebody love you like i do...
