Get Away Amandinho Intro: Em Bm C G (2x) Versos e Refrão: Em Bm C G (apenas repetir) I want to get away From this pain I wanna try To be ok I have to get away From this pain I wanna cry To be the same I have declaimed That I m afraid To realize That s the end Now I m saying What I am I mean I m trying Not to defame Trying to reach what s above my eyes Trying to touch the stars Trying to reach what I cannot find Trying to make a stop I haven t said Anything How is it like To be acclaimed? I need a fucking break From this pain A need a time To rearrange Trying to reach what s above my eyes Trying to touch the stars Trying to reach what I cannot find Trying to make a stop Trying to reach what s above my eyes Trying to cause a storm

Trying to reach what I cannot find Trying to make a stop
