

Amaranthine

Amaranthe

I think the other chord pages for this song is for the album version, but I think this sounds good for the acoustic version of the song :) I m sure there s some chord changes here and there I ve missed. Also, standard tuning, no capo!

Fm

Time

G#

Is the reason why we fight to stay alive

Ebsus4

Eb

Until the morning comes

Fm

It s a strife

G#

But the shimmer in your eyes just makes me know

Ebsus4

Eb

That you and I belong

G#

Ebsus4 Eb

And you can light the dark all by your own

G#

Ebsus4

So let us show the world our love is strong

Chorus:

Like we drift in a stream

Ebsus4

G#

Your beautyâ€™s serene

Ebsus4

There s nothing else

G#

Eb

In life I ever need

Fm

My dream, amaranthine

Fm

Time

G#

Goes by as day and night are turning into years

Ebsus4

Eb

But I m lying in your arms

Fm

It s the place

G#

Where I know that I am closest to your heart

Ebsus4

Eb

Where the dark is torn apart

G#

Ebsus4

Eb

I know you feel the same as I inside

G#

Eb

It feels like in a dream where we can fly
