

Amaranthine

Amaranthe

I think the other chord pages for this song is for the album version, but I think

this sounds good for the acoustic version of the song :)

I m sure there s some chord changes here and there I ve missed. Also, standard tuning, no capo!

Ebm

Time

F#

Is the reason why we fight to stay alive

C#sus4

C#

Until the morning comes

Ebm

It s a strife

F#

But the shimmer in your eyes just makes me know

C#sus4

C#

That you and I belong

F#

C#sus4 C#

And you can light the dark all by your own

F#

C#sus4

So let us show the world our love is strong

Chorus:

Ebm

Like a sign

F#

Like a dream

C#sus4

C#

You re my amaranthine

Ebm

F#

C#sus4

C#

You are all I needed, believe me

Ebm

C#

Like we drift in a stream

C#sus4

F#

Your beautyâ€™s serene

C#sus4

There s nothing else

F#

C#

In life I ever need

Ebm

My dream, amaranthine

Ebm

Time

F#

Goes by as day and night are turning into years

C#sus4

C#

But I m lying in your arms

Ebm

It s the place

F#

Where I know that I am closest to your heart

C#sus4

C#

Where the dark is torn apart

F#

C#sus4

C#

I know you feel the same as I inside

F#

C#

It feels like in a dream where we can fly

Chorus:

Ebm

Like a sign

F#

Like a dream

C#sus4

C#

You re my amaranthine

Ebm

F#

C#sus4

C#

You are all I needed, believe me

Ebm

C#

Like we drift in a stream

C#sus4

F#

Your beautyâ€™s serene

C#sus4

There s nothing else

F#

C#

In life I ever need

Ebm

My dream, amaranthine

Ebm

It s a strife

F#

But the shimmer in your eyes just makes me know

C#sus4

C#

You re my amaranthine

Chorus:

Ebm

Like a sign

F#

Like a dream

C#sus4 **C#**

You re my amaranthine

Ebm **F#** **C#sus4** **C#**

You are all I needed, believe me

Ebm

Like a sign

F#

Like a dream

C#sus4 **C#**

You re my amaranthine

Ebm **F#** **C#sus4** **C#**

You are all I needed, believe me

Ebm **C#**

Like we drift in a stream

C#sus4 **F#**

Your beautyâ€™s serene

C#sus4

There s nothing else

F# **C#**

In life I ever need

Ebm

My dream, amaranthine
