Ambassadors

Time
I ve been passing time watching trains go by
All of my life
                                          Cadd9
                            Em
Lying on the sand, watching seabirds fly
        Em
Wishing there would be
Cadd9
Someone waiting home for me
           Cadd9
Something s telling me it might be you
      Cadd9
It s telling me it might be you
          G
All of my life
Looking back as lovers go walking past
Cadd9
All of my life
                                 Εm
Wondering how they met and what makes it last
If I found the place
Would I recognize the face?
             Cadd9
Something s telling me it might be you
      Cadd9
Yeah, it s telling me it might be you
B Em
    So many quiet walks to take
So many dreams to wake
And we ve so much love to make
Em
                   Cadd9
    I think we re gonna need some time
Maybe all we need is time
          Cadd9
And it s telling me it might be you
