Fall Back Into My Life
Amber Pacific

Tuning: Standard

INTRO:

B - **E** - **G#m** - **E**

VERSE:

B   **F#**
 I know it s not enough to say I m wrong

                                          G#m
You know that I will miss you now you re gone

                                    E
I know it s not your life to see this through

                                       B
Just know that in my heart, it beats for you

                            F#
So leave a little note for me behind

                   G#m
 I swear I have to know the reasons why

     E   **F#**
This won t survive

CHORUS:

     G#m   **E**
But if you fall back into my life

   B   **F#**   **E**
I d spend every night waking up to the beat I hear inside

       B   **F#**
Telling me to be your only one

     G#m   **E**
But if you fall back into my life

               B   **F#**   **E**
I promise you I would never let another day just pass us by

        B   **F#**
I could never leave this world undone

   F#
I want to be your only one

INTRO (x1)

B
And now it s not the same with you away

F#
Just holding onto hope to save my days
G#m   E   F#
I   won t survive
 G#m   E   F#
So just stay with me tonight, and try

CHORUS (x1)

INTERLUDE:
B - **E** - **G#m** - **F#**
B - **E** - **G#m** - **F#** - **E** - (**F#**)

CHORUS (x1)
