Verse 1:

Eaddb4            **C**  
Here we stand again

Another day has passed us

Eaddb4            **C**

With it s lack of change

Eaddb4            **C**

And all we have is what we share

Eaddb4            **C**

And all we want is someone else to be there

Chorus 1 (just guitar 2):

**C**                            **Dm**

And if the sun will set tonight

Eaddb4

Hold our secrets up to the sky

Dm

As our shadows grow there s nothing lefty to hide

C

Dm

And if you ever doubt

Eaddb4

You will know that I still wonder

Dm

C

How many times did I compare the stars to your eyes?

Chorus 2 (guitar 2 only):

C

Eaddb4 Dm

We will make it through

Eaddb4

No matter the cost we ve gone this far

Dm

C

Why not find out how it works out for you and me

Eaddb4 Dm

We ll make it through

I thought we were lost

Eaddb4

Dm

But somehow we haven t found a way

C

And I hope that we never do

Verse 2 (guitar 1 picking same as before, guitar 2 palm-muted):

Eaddb4 B Eaddb4

It s hard to get to understand

C Eaddb4 C

When all your lives are in our hands

Eaddb4

C

And don t stop when you ve never been closer

Eaddb4 C

Just cause you don t know what matters most

Eaddb4 B Eaddb4

So it won t always be so clearly right in front of us

(Chorus 1&2)

C

...And I hope that we never do

F C Dm

Never do

Bridge (just guitar 2):

**C**

**F**

Doesn't really matter how it all began

Forsaken

Eaddb4

**F**

**Dm**

Got this far without knowing who we truly are

I will never doubt that

(Chorus 2)
