

Three Words
Amber Pacific

Letra y acordes Personally i use C# in variation 2 of 14, and D# in variation 3 of 14.

[Verse]

C#
Don t wanna call you cause I miss you too much
Fm
Don t wanna play cause I m outta luck
F# C#
In this town, in this town
C#
Tomorrow I ll be in another state
G# F#
I get so nervous cause I just can t wait to see you
C#
I guess I need you

[Pre-Chorus]

A#m
Don t believe everything you read about me
C#
People talk but it doesn t matter what they say
A#m F#
I know you re always waiting for a status update
D#
It comes a little too late

[Chorus]

F# C#
Can t stop thinking, I m to blame
G#
Cause you re ready for the next one
F# C#
The distance killed the burning flame
A#m F#
And I can t stop myself from trying to figure out

C# G#
The fastest way to work this out
F#
Cause I m ready for you
G#
Three words can t fix us anymore

[Verse]

C#

I believe you've been working nine to five
G# F#
I know you miss me but you try to hide your feelings
C#
Cause I gave you reasons
C#
I remember when you took your breaks
G# F#
You called to tell me all about your day
C#
I miss that, why can't we fix that?

[Pre-Chorus]

A#m
Don't believe everything you read about me
