

Answer

Amber Rubarth

Verses: **C G F G7 C G F G**

Pre Chorus and bridge: **Am F C G (2x)**

Chorus: **F C G F C G7**

Verse 1:

C **G**
I m just trying to call you, to tell you not to call me,
F **G7**
But it keeps going straight to the machine,
C **G**
Ooh I m just trying to reach you to tell you I don t need you,
F **G**
Any less than you don t need me,

Pre Chorus:

Am
But it just rings,
F
and it rings,
C **G**
and it rings some more.
Am **F** **C** **G**
And memories of you and me, come crashing through my door,

Chorus:

F **C** **G**
Let me tell you I m leaving so I can cut this chord, or else
F **C** **G7**
My heart ll keep on beating forever more.

Verse 2:

C **G**
I m not looking to blame you, not looking to shame you,
F **G7**
Shame on me, it s my second time, ooh of,
C **G** **F** **G**
Going too far, confusing the space with freedom but freedom s inside,

Am **F** **C** **G**
And so I sing, and I sing, and I sing some more,
Am **F** **C** **G**
A melody swallows me and lifts me from the floor,

F **C** **G**
Let me tell you I m leaving so I can cut this chord,
F **C** **G7**
Or else my heart ll keep on beating forever more.

Brigde:

Am **F**
Oh, it takes time, I thought this was right,
C **G**
I thought this was something we both liked,
Am **F**
I would have stayed if you would have asked, but now,
C **G** **Am**
The heartbreak songs are back, it s how I get over you.
F **C** **G**
It s why I write, emotion boiling up inside,
Am **F** **C** **G**
When it s this close I can t divide my heart and my mind.

C **G** **F** **G7**
Ooh, ooh, ooh, ooh [4x]
C **G**
So I m just trying to call you to tell you not to call me,
F **G7**
But it keeps going straight to the machine.
