

Heaven
Amber Run

Intro: Am F Am C

C Em
Cause all I see, girl, is in black and White
Am F
In the darkness of the night
C Em
It almost seems that I ve been chasing angels
Am F
For what seems the entire of my life.

C Am
And all because heaven is on fire,
F C Em
Don t you know?
C Am
My heart, it s got a fever,
F C Em
I can t let you go.

C Em
Cause all I see, girl, is in technicolor
Am F
And it s you that burns brightest of all
C Em
But turn away, look again, your face is
Am F
Reflected in the sweat on the walls.

Interlude: C Em Am F x2

Am
It s in my bones, in the water,
F
In my skin, in every corner
Am
Like a shade, girl
F C
It s gonna colour you in.

Am
It s in my bones, in the water,

F

In my skin, in every corner

Am

Like a shade, girl

F C

It s gonna colour you in.

Intro: **Am F Am C**

Am

Cause all I see is black and white
In the darkness of the night
Oh and I ve been chasing angels all my life.

And now that heaven is on fire
And the world s technicolor
Oh, I ll be chasing angels all my life.
