

Just My Soul Responding

Amber Run

C **Em**
Oh, and I wanna be here when morning comes
Em **D**
When the stars in the sky fade into one
C **Em**
Oh, and I wanna be here when times are hard
Em **D**
When the beating of your heart is like a drum

Am
But every day
 Em **D**
I found new ways to hurt you
Am
And every day
 D
We took our sides

C **G** **Em** **D**
And it s just my soul responding
 C **G** **Em** **D**
To the heavy heart I m holding
 C **G** **Em** **D**
And it s just my soul responding
 C **D**
To the love you took from me
